Links to Leadership™ is a specially designed learning experience that influences participants in the management of time, talent, team, budget, resources and risk. Unexpected obstacles present learning challenges during the course of play. The game is rounded out with a choice from over 20 additional experiential training programs, lectures and feedback sessions. These programs are tailored to suit the particular culture indigenous to your company. All sessions are led by noted psychologist, talk show host and facilitator, Dr. Jerry Schmidt, Ph. D. and his team of experienced professional trainers.

Our clients include Arnold Palmer Management Group/Penderbrook Golf Course, Booz|Allen|Hamilton, CSC, Raytheon, Lockheed Martin, Shipley Associates, Logistic Specialties Inc., TRW, Northrup Grumman, Oak Ridge National Labs, USTRANSCOM, Department of Energy, Women in Film & Television, and many others.
